

## Certificate of Conformity of Factory Production Control

This certificate is issued to:

**Manufacturer:** **Gerdau Açominas S.A.**  
**Ouro Branco Steel Works**  
**Rodovia MG 443 – KM 07**  
**CEP36420-000, Minas Gerais, Brasil**

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

### **Hot rolled long products of structural steels: Beams and Columns (“I” and “H” Sections) and Hot rolled flat products of structural steels: Coils & Plates**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

### **EN 10025-1:2004 – Hot Rolled Products of Structural Steels – General Technical Delivery Conditions**

under system 2+ are applied and that the factory production controls fulfil all the prescribed requirements set out above.

The attached Schedule, of the same date, details the manufacturing location(s), harmonised product standard and product parameters and shall form a part of this certificate.

This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

Certificate No: 0343/CPR/20060008/A  
Original Approval: 14 August 2006  
Current Certificate: 05 April 2024  
Expiry Date: 13 August 2024  
LRQA Notified Body Number: 0343

P. Mintzaridis, Decision Maker on behalf of LRQA Nederland B.V.
